### World Flier Visits Goodrich Plant

Willy Post, famous round-the-world flier and authority on aviation matters, is now visiting the Pacific Coast. Post, who holds the globe circling record and is the only flier to circumnavigate the world twice, is renewing old acquaintances. He is seen above at the Los Angeles factory of The B. F. Goodrich Rubber Company receiving the congratulations of J. E. Wackenschlag, Los Angeles district manager for Goodrich. All of Post's planes, including the famous "Winnie Mae" have been equipped with Goodrich tires.

### Local Woman Wins Award In Recipe Contest

Miss Louise Lansing Gets National Recognition In Magazine

Miss Louise Lansing, Route 1, Box 289A, Torrance, California, has just been awarded a Certificate of Recipe Endorsement by Better Homes & Gardens for her recipe, "Japanese Cabbage Delight."

This certificate, which brings national recognition to Miss Lansing, is given by Better Homes & Gardens only for distinguished recipes which pass its kitchen's tests for dependability, excellence of taste, and family usefulness.

In addition to the signed certificate, Miss Lansing also received six copies of her endorsed recipe, each bearing the Better Homes & Gardens stamp of recipe endorsement, which she can give to her friends.

Miss Lansing's endorsed recipe follows:

**Japanese Cabbage Delight**  
1 small head of cabbage  
1 pound of pork loin or shoulder  
1 tablespoonful of butter  
1/2 teaspoonful of salt  
1/2 teaspoonful of sugar  
1/2 cupful of boiling water  
1/4 cupful of sliced celery  
2 small green onions

Wash cabbage thoroughly, chop and soak in cold water. Meanwhile cut the pork into small pieces. Melt the butter in a pan, add the pork and fry until brown. Add 1/2 cupful of boiling water and let simmer 20 minutes. When the drained cabbage, stirring frequently. When cabbage is cooked soft, add the salt, sugar and celery. Then lastly, add the chopped green onions and stir, cooking just a few seconds. Serve hot with tomato sauce or ketchup. Serves four.

**TROOP 4**  
LEE BURNS, Reporter

At the inter-troop rally which was held in the grammar school auditorium, Friday, April 13, Troop 4 won first place in all competition. Inspection for troop was won by Billy Stewart. Ellis P. Moore, Jr. was present and talked to the boys on camping.

Court of honor and board of reviews will be held on April 24 at Scout hall.

At last meeting, inspection was given to Harry York.

Merit badges were presented to Weston Leech, Bob Cramer and Lee Burns.

**TROOP 3**  
HOWARD WEBER, Reporter

Troop 3 met at the Scout hall and marched down to the grammar school auditorium to attend the inter-troop rally. The rally was run by W. T. (Pop) Jones, and won by Troop 4. This was because Troop 3's representatives went to a dance. This is the first time this has happened for two years.

Mr. Moore, camp director for Camp Arthur Letts, spoke on summer camping. The troop decided to put on a show at the close of school and the money received will go to help boys who could not go to camp otherwise.

**Trap Fishers Are Given Heavy Fines In Justice Court**

Wilmer Gillett plead guilty in the Lomita township justice court on April 11 to violation of the fish and game laws, and was given a fine of \$500 or 180 days in the county jail, of which all but \$25 was suspended for two years. A stay of execution until April 19 was granted to allow the defendant to raise the money for his fine.

On April 13 Henry Smith plead guilty to a similar offense and received a similar fine, of which all but \$30 was suspended for two years. The balance of the fine was paid and Smith was released.

Both men were accused of fishing with traps in a closed area.

T. Yoshida paid \$25 of a \$50 fine on his plea of guilty to the charge of deceptive packing of strawberries, on April 17.

**Wait Until July to Hunt Grunion**

It is unlawful to catch "Leuresthes tenuis" until June 30.

If that doesn't mean anything to you, it may—if the county game warden catches anyone in the act. "Leuresthes tenuis"—grunion to you—are protected by the county between April 1 and June 30, according to Spence Turner, county game warden.

Turner said he was just mentioning it, due to repeated telephone calls from "natives" who want to take eastern visitors on grunion hunts and inquire "how the grunion are running."

"They aren't running," Turner explained.

### —at Narbonne High School

The annual Los Angeles high school radio spelling bee is in action again, over station KFAC.

On Wednesday night, April 25, at 7:45 o'clock, the Narbonne team will compete against Jordan high. As a result of the elimination try-outs, four boys will represent the Gauchos. They are Walter Hoffman, A12; Alfred Thorson, A11; Zeddie Masters, B12; and Dick Craig, B11. Two are still to be chosen as alternates.

Last year Narbonne met Torrance in the spelling bee, with the two schools tying with 15 errors apiece. Richard Engle of Narbonne made no errors and took part in the finals.

Fast and furious was the final game of the spelling bee tournament between the A12 and A10 girls at Narbonne, which ended with the score 10 to 8 in favor of the tenth graders.

The teams were evenly matched. Good catching and hard kicking were qualities possessed by both sides. The goal guards of both teams, Helen Bartell and Evelyn Thorsen, stopped many a kick from crossing the goal line, which only helped to make the game more exciting.

The half ended 6 to 5 and there was no additional score during the third quarter. Each team was doing its best to keep the other one from scoring. Lyndall Phillips made the final touchdown of the game, which put the A10's ahead.

Members of the winning sophomore team were Vada Courtney, captain; Michiko Nishikawa, Akiko Kato, Dorothy Haller, Jean Lyndall Phillips, Vera Courtney, Isaka Wada, Helen Patrick, Veretta Gibson, Janet Mosher, Gertrude Sevier, Kathleen Brett, Marcia Mayer and Evelyn Thorsen.

A double-feature comedy film program, sponsored by the Science Club, drew a record crowd of Gauchos at the Narbonne auditorium, Wednesday, April 11. About 600 students attended the talkies and nearly \$15 was taken in.

**Science Club** held the Annual Exhibit Day at the California Institute of Technology, Saturday, April 14. Mr. Stump, science teacher, acted as guide. Those who attended were Nondus Stump, Bernice Rozelle, Lois Maddy, Thora Damuth, Wilford Barnett, Sidney Cowan, George Taylor, Maynard Early, Joe Burkhard and Mr. and Mrs. Stump.

In the morning they saw the high voltage demonstration conducted in Cal Tech's million-volt laboratory. Artificial lightning flashes, 30 feet long and more, were made, besides other electrical experiments. In the afternoon they heard lectures on vitamins, high frequency and conductivity in gases, and visited the chemistry and biological laboratories.

The Narbonne Science Club, having nearly \$20 in the treasury, decided at a meeting held Monday, April 15, to buy a sun-dial which they will donate to the school. They will mount it themselves in the courtyard.

Several members who had attended the Annual Exhibit Day at Cal Tech, told the other club members of the various experiments they had seen. Some peculiar instruments demonstrating physical phenomena were demonstrated by Mr. Stump.

### MRS. MURRAY ENTERTAINS

Mrs. Jack V. Murray, 1912 Anderson, entertained her bridge club recently at her home with a bridge luncheon.

Decorations of roses and spring blooms in a color scheme of pink and orchid, lent a festive air to the occasion.

First prize at bridge was awarded to Mrs. J. Jacoby, of Anaheim. Second prize went to Mrs. Jud Wingert, of Whittier.

Guests included Mrs. George Seeger, Santa Fe Springs; Mrs. M. L. Zike, Mrs. W. E. Stein and Mrs. Jud Wingert, Whittier; Mrs. D. J. McCarthy, Sydney, Australia; Mrs. J. Jacoby, Anaheim; Mrs. Charles Brewster, La Habra; Mrs. D. McCormick and Mrs. M. Joseph, Torrance, and the hostess, Mrs. Murray.

### Avoid Chiselers, Says NRA Speaker

Success of the National Recovery Act depends upon the buying public, and the determination of consumers to patronize merchants and manufacturers who are living up to their code practices, Major Frank C. Benedict told members of the Torrance Rotary Club last week. Mayor Benedict represents a group of prominent Southern California business men who have joined hands in an effort to impress the buying public with its part in the recovery drive.
